

Workstation & Component Guide

Below are standard workstation configurations and individual component sizes. Keep in mind all components can be sized to your specifications in order to tailor each workstation to your particular floor plan. There are many more workstation configurations that can be assembled from the component pieces below- we have just listed the most common ones. Call us at 604-592-9280 or email us at sales@premierofficeinteriors.com if you need any help with your space planning.
